1. The following is an examiner's statement of reasons for allowance: none of prior art of record taken alone or in combination shows a switching power supply apparatus and a control method thereof comprising a switching controller determining a sign of the control voltage signal, when the control voltage signal is determined to correspond to the positive values, and controlling one of the switching units of the first bridge to turn off and a remaining one of the switching units of the first bridge to turn on, and the switching units of the second bridge to alternately turn on and turn off corresponding to which one of an absolute value of the control voltage signal and of an absolute value of a predetermined comparison voltage signal is greater, and more detailed limitations as recited in the claims of the instant application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Matthew V. Nguyen whose telephone number is (571) 272-2081.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group receptionist whose telephone number is (571) 272-2800.
